

Acute Shortage

Across the globe, the prayers of God's people are being answered as evangelists and missionaries see the fruit on their labour. Millions are turning to Christ. This is cause for great celebration!

However...

- Many converts receive no continued discipling.
- Churches remain weak and "shallow."
- Cults thrive because of the lack of spiritual maturity.

The answer to this major problem lies in providing believers with the Bible.

- The Bible teaches correction and truth.
- The Bible brings comfort, encouragement, guidance and motivation.
- The Bible reveals God's will, His love and His promises for our lives.

Imagine a whole church without a Bible! Imagine having to rely on memories of scripture you have heard. Imagine no possibility of searching out the answers in your time of need.

This is the reality of most African believers, unless we do something about this tragedy.

Will you partner with us to provide Bibles to the children of God, who are desperate for his Word?

Mozambique: 30 000 Tsonga and Sena Bibles and 30 000 Portuguese Bibles needed.

Did you know...

- In many places, even *pastors* and *leaders* have no Bibles.
- People need the Word in their "heart language." Imagine having learned a second language in school and having to do your daily devotionals in that language. It just isn't as effective.
- It is comforting to know that Bible translations now cover a vast amount of languages. Unfortunately, many still don't have Bibles, for the mere fact that they can't afford it.
- The cults and Islam pour millions of copies of their sacred writings into the harvest field, making their literature often more available than the Bible.
- Bibles for Believers offers the Bible only to those who have already come to Christ and who have enrolled in a discipleship course.
- Bibles for Believers works with ministries that are evangelical and believe that the Bible is God's authoritative Word.

What Can I Do?

Give Your gift will make a difference in the lives of brothers and sisters in Christ. Bibles for Believers will use your gift to purchase and deliver Bibles into the hands of needy Christians. If you choose to support a particular project, we will combine your gift with those of others and then deliver Bibles to that project in a consolidated delivery.

Monthly Gifts: Regular giving enables us better planning so that we may order sufficient stock. Your monthly gift will help many converts become disciples. Debit order forms are available at www.biblesforbelievers.org

Pray Pray regularly for Bibles for Believers, the emerging church, suffering Christians and those too poor to buy their own Bible. Pray for Church Planters, Missionaries and Evangelists as they win souls for Christ. Pray for the mentors and leaders who disciple new believers. Write to us to receive a regular prayer- or newsletter.
